My Dear Mr. Chapman,

Postal received. Am sending two darics and the Fascisti piece herewith. The Fascisti was in the bag. $24.44 in from Gaede, $8.42 from Angle. I sold the two Pan Pacific halves together with a few others to a man. That is about all in. Went through the old list and sent more catalogues. Nothing else of importance.

Yours very truly,

E. B. Wright.
